
CIED Writeup and Progress Report - June 2020- August 2021

Established in 2009, the Centre for Innovation and Entrepreneurship Development (CIED), aims to prepare men and women to lead, innovate, and think entrepreneurially in business, public and social service, to be job creators and role models. For the past 12 years, we have inspired, educated, and empowered potential entrepreneurs as they innovate and create business ventures. Our mission is to support and mentor the entrepreneurial ambitions of BIMTECH students, alumni, faculty and the community at large and turn BIMTECH into a crucible for entrepreneurship initiatives. We do this by providing inspiration, driving team formation, and facilitating venture development. These days, great business ideas can come from anywhere. To encourage them, we need to increase the breadth and depth of the entrepreneurial ecosystem by multiplying connections among entrepreneurs and mentors, improving access to entrepreneurial education, creating events and activities that activate all the participants in the start-up community, and much more.

In congruence with this core idea, in the last academic year the Centre carried out various activities.

Centre for Innovation and Entrepreneurship Development(CIED)

Academic activities (In brief key highlights):

- **Basant Kumar Birla Distinguished Research Scholar Awards** : upto 10 lac cash prize distributed
- **Business Literature Festival 2021:** Co-organized a Panel Talk on “Creating Unicorns”.
- **Enterprise Lab and Business models (E Lab & BM):** Course Implementation to instil Entrepreneurial mind-set.
- **E-cell of BIMTECH Programs:** Organized events like Q-thinker, Corporate Roadies, Invento, Ignite to involve all students in entrepreneurship based activities.
- **Entrepreneur Internship with AIC** : 40 students selected

Atal Incubation Centre BIMTECH (In brief key highlights):

- **Partnerships:** 31
- **Start-ups:** 78
- **Fund Raised:** \$ 845,000 (approx.)
- **Prarambh Program with Startup Odisha**
- **Incubator training program for UP State Incubators**
- **International Project:** AIC-BIMTECH Selected as the New Delhi Accelerator For K-Startup Center (KSC) 2021 Program:

CIED Writeup and Progress Report - June 2020- August 2021

- **Awards won:** 10 Awards by Startups and 2 Award by Incubator
- **India Implementation partner for the UNGCNI programme for Young SDG Innovators**

Academic Activities at BIMTECH

- I. Basant Kumar Birla Distinguished Research Scholar Awards:** BIMTECH has announced the prestigious Basant Kumar Birla Distinguished Research Scholar Awards, which recognize senior research scholars in India in the fields of Industry 4.0, Sustainability, Corporate Social Responsibility, Ethical Practices, Entrepreneurship, and Family Business.
- II. Business Literature Festival 2021:** BIMTECH organized a one of its kind virtual Business Literature Festival 2021. The event was graced by the best in the business world along with the literature that they have come up with. To encourage budding entrepreneurs and give them interesting insights into successful entrepreneurship, CIED organized a Panel Talk on “Creating Unicorns.” The panel included Mr. Abhijit Bhaduri, Mr. Hari T.N, and Mr. Sanjeev Agarwal. The session was moderated by Dr. Abha Rishi, CEO, AIC-BIMTECH.
- III. Setup Enterprise Lab and Business models (E Lab & BM):** It is an experiential core course with the objective of instilling an Entrepreneurial Mindset in students. It provides an opportunity to apply theoretical concepts in real business scenarios to develop real-world skills to lead in a rapidly changing eco-system and become value creators for life. The course aims to develop creative and critical thinking in students for problem solving and decision making with an entrepreneurial mind-set. In the process, they also get a holistic understanding of a business, how it integrates with various functional areas and the future trends as well. Students also realise the critical importance of team work as they collaborate and work as part of a multidisciplinary and multi-cultural team.
- IV. Entrepreneur Internship with AIC:** As part of the INTERNSHIP WITH AIC – BIMTECH Program, 13 students from BIMTECH and 27 students from other academic institutions such as GL Bajaj, Manav Rachna University, Greater Noida Institute of Technology (GNIOT), and JIMS Engineering Management Technical Campus (JEMTEC) interned over the summer. The two interrelated purposes of the program are to contribute to the training of interns and gain meaningful assistance from them in furthering the activities of the AIC. The program included assigning interns to tasks compatible with their professional interests and/or needs. During the program's duration, Interns worked up to 30 hours per week and at the same time continued their learning and education.

CIED Writeup and Progress Report - June 2020- August 2021

V. E-cell of BIMTECH Programs:

- a. **Q-thinker**, an entrepreneurial competition, was organized by the E-CELL of BIMTECH on November 7th, 2020. This event was launched with a vision to provide a platform to the upcoming managers to showcase their innovative ideas, which they conceived during the new normal.
- b. **Corporate Roadies**: On December 7th, 2020, the E-CELL of BIMTECH hosted *Corporate Roadies*, an entrepreneurial competition. The event consisted of a series of activities designed to assess a person's business insight, abilities, and information. The activities were designed to throw the worst at students, to bring out the best in them. The participants needed to demonstrate their caliber, persuasion power, and ability to handle pressure so that it could help the participants prepare for the harsh reality of the corporate world.
- c. **Invento**: was organized by the E-CELL of BIMTECH on February 5th, 2021. Invento is an event in which the participants have to think of a product/service that is no longer in use due to the changing business environment. Then the same product/service that is identified has to be used in sectors relevant in today's day and age.
- d. **Ignite**: was organized by the E-CELL of BIMTECH on March 20th, 2021. The event was a collection of activities to test a person's business acumen, abilities, and knowledge. The event's goal is to instill an entrepreneurial mindset in the next generation by motivating them to come up with an interesting story (or) incident that inspired entrepreneurs to start their businesses. Ultimately entrepreneurs identify the business opportunities that either cannot be seen by others or cannot motivate others.

The speakers of the program were Mr. Abhishek Tiwari, Dr. Abha Rishi, Mr. Abhinav Singh Rawat, Mr. Anil Singh, Mr. Ashish Khare, Dr. R. Priya Nagaraj and Mr. Golden Frankly. 25 incubators participated in this program across Uttar Pradesh

VI. **AIC - BIMTECH Selected as the New Delhi Accelerator For K-Startup Center (KSC) 2021**

Program: Korea Institute of Startup & Entrepreneurship Development (KISED) is a South Korean public institution specializing in providing support to South Korean startups annually through entrepreneurship education programs, financial support for commercialization, and global expansion. KISED has launched the K-Startup Center Program to assist South Korean growth-stage startups in entering overseas markets and support them in settling into the new markets. Atal Incubation Centre - BIMTECH has been selected as the New Delhi accelerator for this program. The selected accelerators are responsible for directly evaluating and selecting Korean startups to participate in their program. Upon startups' selection, the accelerators will conduct a pre-program followed by a KPI workshop and the main program between July and October. AIC-BIMTECH has selected twenty startups for the Pre-Program; who want to enter the Indian market, expand their business operations in India, establish a network, and seek collaborations. The program will showcase AIC-BIMTECH's expertise as well as its mission of connecting the world's most promising technological innovations with India's vibrant and competitive market.

VII. **INDIA IMPLEMENTATION PARTNER FOR THE UNGCNI PROGRAMME FOR YOUNG SDG**

INNOVATORS : The Young SDG Innovators Programme is an opportunity for participating companies of the UN Global Compact to identify young talent within their organizations to collaborate and accelerate business innovation towards the Sustainable Development

CIED Writeup and Progress Report - June 2020- August 2021

Goals (SDGs).
