DISINVESTMENT

Air India divestment: A giant step forward

Jagadish Shettigar/Pooja Misra | Updated on October 23, 2021

New chapter Air India's return to the Tatas' fold marks a new era for the airline. — REUTERS

The move has signalled the Modi gov't's intention on moving ahead with reforms at full throttle

With the Tatas being declared as the successful bidder for the ailing Air India, the national carrier has finally made its way back home to its original
